This program was planned by a collaboration of The Chester County Historical Society with Natural Lands Trust, The Children's Country Week Association, and West Chester University. The forum has received support from The Daily Local News and the PA Department of Community and Economic Development.

The exhibition is made possible in part through the support of the Pennsylvania Department of Conservation and Natural Resources, Natural Lands Trust, Aqua, The Children's Country Week Association, and the Chester County Planning Commission. PECO, through its EITC support, and the PA Department of Community and Economic Development support the school programs for the exhibition.
